

## 2020 Sorì della Sorba, Langhe Nebbiolo

Sorì della Sorba is a special estate bottling dedicated to the purest representation of our site in wine, dedicated to the King of grapes varieties, Nebbiolo. Sorì della Sorba is the historical name of this vineyard site, and highest reflection of our land going back to the first whispers of this indigenous variety in the 1200s.

In Piemontese dialect a “Sorì” is the special designation of greatness, or “grand cru”, and translates to: “where the snow melts first” which often means south facing and highest on the hill.

The 2020 vintage shows lifted aromas of crushed black cherries, rose petals, wet rock, savory herbs, and forest floor. On the pallet, the wine builds with wild berries, rose petals, orange pith, and damp forest floor and truffle. Fine grained tannins build as they hold together the delicate floral notes to an everlasting finish.

*80% whole cluster • 1,2 ha (2.9 acres) • 100% Nebbiolo • Aged 12 months in neutral Slovenian oak botti (15/25 HL)*
